
WST Special Funding Request Application

The WST Special Funding Request is a giving program designed to fund exemplary projects and ideas that embody the mission of the WST but do not meet the criteria of the WST Grant. If your project falls within the guidelines of the WST Grant, you must apply for that program. WST Special Funding is determined by the WST Board of Directors based on a project's potential impact on the field of anaplastology.

Please complete the WST Special Funding Request Application and return it to info@walterspohntrust.org along with any attachments.
